

Mr. President, I will say that this amendment was the provision that was in the old allotment bill that was passed by the House, H.R. 13991, and considered by the Senate during the last session, but which failed of passage in the Senate. The amendment I have offered appears in that bill, for the protection of the wheat growers who might have a wheat that brought a premium for protein content.

Mr. SMITH. Mr. President, if the Senator will allow the amendment to go over for consideration in the morning, I should like to move an adjournment until 12 o'clock tomorrow.

#### INTERPRETATION OF PRESIDENT'S REGULATIONS RESPECTING VETERANS (S.DOC. NO. 19)

Mr. WALSH. Mr. President, I ask unanimous consent to have printed as a Senate document a communication which I have received from the Solicitor of the Veterans' Administration.

As is well known to the Senate, the President issued certain regulations on March 31, 1933, under the "act to maintain the credit of the United States Government." These regulations are more or less legalistic in form, and it occurred to the Senator from Georgia [Mr. GEORGE] and myself to write the solicitor asking him to give us a detailed explanation of each regulation, and we did so. The correspondence I hold in my hand furnishes the information called for. It is very helpful, and every veteran in the country ought to have the benefit of the information. It not only restates the regulations issued by the President, but it interprets those regulations and explains just how they will be administered.

I ask unanimous consent that the communication from the Solicitor of the Veterans' Administration be printed as a public document.

The PRESIDING OFFICER (Mr. COOLIDGE in the chair). Is there objection? The Chair hears none, and it is so ordered.

Mr. GEORGE. It will be printed also in the RECORD, I presume?

Mr. WALSH. The difficulty is that there are two styles of type, one for matter printed in the RECORD and one for public documents. Better type will be used if it is printed as a public document, and it will be less expensive than having it printed twice in two different styles of type.

#### EXECUTIVE MESSAGES REFERRED

The VICE PRESIDENT, as in executive session, laid before the Senate several messages from the President of the United States submitting nominations, which were referred to the appropriate committees.

(For nominations this day received, see the end of Senate proceedings.)

#### ADJOURNMENT

Mr. SMITH. I move that the Senate adjourn until tomorrow at 12 o'clock noon.

The motion was agreed to; and (at 5 o'clock and 3 minutes p.m.) the Senate adjourned until tomorrow, Tuesday, April 11, 1933, at 12 o'clock meridian.

## HOUSE OF REPRESENTATIVES

MONDAY, APRIL 10, 1933

The House met at 12 o'clock noon.

Rev. M. R. Fleming, D.D., pastor of the United Brethren Church, Red Lion, Pa., offered the following prayer:

Lord of the world above, Thou art Lord of the world in which we live. God of our fathers, Thou art our God. We come to Thee with songs in our hearts for Thy gracious gifts, which are beyond counting. We thank Thee for the silent and beautiful kingdom of the past. How wonderful has been Thy providence in the life of our Nation. Our hearts are deeply grateful for the riches of grace as found in the blessings of the present.

Give us wisdom to know Thy will and power faithfully to fulfill the same. In all our days grant us divine help, in all

of our dangers divine protection, in all our uncertainties divine counsel, in all our sorrows divine peace.

May the benediction of Thy presence be our rich heritage this day and all our days. May the comforting power of the spirit of God lead us in all life's activities; and may the peace of God that passeth all understanding keep our hearts and minds through the riches of grace. In Christ Jesus our Lord. Amen.

The Journal of the proceedings of Thursday, April 6, was read and approved.

#### IMPEACHMENT PROCEEDINGS AGAINST FEDERAL JUDGE HAROLD LOUDERBACK

Mr. SUMNERS of Texas. Mr. Speaker, I ask unanimous consent that the managers on the part of the House in the Louderback impeachment matter be excused from attending upon the sessions of the House during this week.

The SPEAKER. Is there objection to the request of the gentleman from Texas?

There was no objection.

#### AMENDMENT OF HOUSE RULE XIV

Mr. POUL. Mr. Speaker, I offer a privileged report from the Committee on Rules and ask unanimous consent for its immediate consideration.

The Clerk read as follows:

#### House Resolution 100

*Resolved*, That upon the adoption of this resolution rule XIV be, and the same is hereby, amended by adding at the end thereof the following new clause, viz:

"8. It shall not be in order for any Member to introduce to or to bring to the attention of the House during its sessions any occupant in the galleries of the House; nor may the Speaker entertain a request for the suspension of this rule by unanimous consent or otherwise."

Mr. KELLER. Mr. Speaker, will the gentleman inform the House just what this resolution means?

Mr. POUL. It stops the introduction of people in the gallery.

Mr. SNELL. I think this is a good resolution and should go through.

The resolution was agreed to.

#### EMBARGO ON SHIPMENT OF ARMS

Mr. POUL. Mr. Speaker, I present a privileged report from the Committee on Rules, which I send to the Clerk's desk.

The Clerk read as follows:

#### House Resolution 101

*Resolved*, That immediately upon the adoption of this resolution the House shall proceed to the consideration of House Joint Resolution 93, a joint resolution to prohibit the exportation of arms or munitions of war from the United States under certain conditions, and all points of order against said bill shall be considered as waived. That after general debate, which shall be confined to the joint resolution and shall continue not to exceed 4 hours, to be equally divided and controlled by the Chairman and ranking minority member of the Committee on Foreign Affairs, the previous question shall be considered as ordered on the joint resolution to final passage without intervening motion except one motion to recommit.

The SPEAKER. Referred to the House Calendar and ordered printed.

#### ORDER OF BUSINESS

Mr. BYRNS. Mr. Speaker, I understand the gentleman from North Carolina has several reports from the Committee on Rules. If it is entirely agreeable to the gentleman from North Carolina and to the House, I think it would be well if unanimous consent were granted to take up at least a portion of these reports, consider them, and dispose of as many as possible of them today.

I make this suggestion for the reason that tomorrow we are going to have the farm finance mortgage plan before the House. It is hoped we can dispose of it within 2 days at the outside. Then I think within a few days we are going to have the securities bill.

I have been running over in my mind just how much additional legislation we would have to pass in the House in order to complete the emergency legislation proposed by the President. According to my best understanding, there

will be at least nine more bills to be passed by the House. Of course, our calendar is clear now, and the House cannot act on any of the bills until the committees report them.

Mr. SNELL. While the gentleman is on his feet, I wish he would tell the House what the program of the majority is for the immediate future. I think we ought to know.

Mr. BYRNS. The only program I can outline to the gentleman from New York is that as rapidly as these bills are reported from committees we will take them up in the House and dispose of them. Naturally, I cannot give the gentleman any information as to when this will be, because I am not informed, but just as rapidly as the bills are reported they will be taken up in the House.

Mr. SNELL. It seems to me within a few days we ought to know what is going to be the definite program of the majority.

Mr. BYRNS. I quite agree with the gentleman. I have just explained why it was impossible for me to indicate to the gentleman any more than I have what the program will be. I just stated a moment ago, although possibly the gentleman did not hear me, that the farm bill will be in here tomorrow. It is the expectation to take it up tomorrow; and this was the reason I expressed the hope, if it were agreeable to the gentleman from North Carolina, that he dispose of at least some of his rules today, if it is possible, by unanimous consent so as to clear the calendar for tomorrow.

Mr. SNELL. While the gentleman is on his feet, will he tell us what the nine bills are that he has mentioned?

Mr. BYRNS. It is merely a matter of conjecture, although I shall be pleased to relate some of them to the gentleman.

Mr. SNELL. I wish the gentleman would give us all the information he can.

Mr. BYRNS. We have the farm bill, which will come up for action tomorrow. The securities bill is pending before the Committee on Interstate and Foreign Commerce. The Wagner bill is pending before the Committee on Banking. Then there will be a banking bill of some kind. There will be possibly some legislation with reference to the railroads. Then there is Muscle Shoals legislation. The message in regard to Muscle Shoals will come to the House today and the bill will probably be introduced tomorrow. There is the gasoline tax bill, which is pending before the Committee on Ways and Means.

Mr. BANKHEAD. And there is the 6-hour-day labor bill.

Mr. BYRNS. I was speaking more particularly now of the President's emergency legislation. I understand a bill will come before the House which will seek to give the President some authority in arranging tariffs with relation to the tariffs of other countries—a bill which must be considered and, undoubtedly, should be passed.

Another bill is a public works bill, which, I understand, is contemplated. So there are at least nine bills. In addition to these there is pressing upon the House the Black-Connery bill. I do not know whether this is a part of the administration's program or not, but it is here and on the calendar, I understand.

Mr. SNELL. As long as we are on this subject, with all this very comprehensive legislation before us, it is evident that the Congress will be in session for some time, unless the gentlemen of the majority expect to put this legislation through without any consideration on the part of the House.

Mr. BYRNS. I quite agree with the gentleman; and I am sure no one wants to put through the legislation without giving the House an opportunity to fully consider it; but unless the committees report, of course, the gentleman understands the House cannot take action, and while I am not criticizing any committee, because I think the committees should give full attention and consideration to these bills, I am expressing the hope to some of the chairmen whom I see before me now that they speed these matters just as rapidly as they can in order to give the House something to work on, so we will not have to adjourn over as we had to do last Thursday.

Mr. SNELL. I may say to the majority leader that, while we have done our part in trying to advance the emergency legislation, when it comes to comprehensive legislation that

would affect the policy of this country for a period of years, we shall insist, as far as we are able, on careful and considerate attention on the part of the House.

Mr. BYRNS. I think the entire House is entitled to that.

Mr. SNELL. I am glad to hear the majority leader make that statement.

Mr. BYRNS. But if we are to get away within any reasonable time, we will have to begin consideration of some of these measures, which is the point I am making now.

My own judgment is, we ought not to consider anything in this House until we have disposed of the President's emergency legislation one way or the other. This is all we have done up to this time. However, under the rules, these bills have to go to a committee and, of course, the House cannot act until the committee reports.

Mr. SNELL. A great majority of the bills before us or in the offing are bills affecting policy that should be considered very carefully.

Mr. BYRNS. I agree with the gentleman.

Mr. RANKIN. Will the gentleman yield?

Mr. BYRNS. I yield.

Mr. RANKIN. May I ask the gentleman from North Carolina whether or not any of these rules pertain to the discharge rule?

Mr. POU. No.

Mr. CLARKE of New York. Will the gentleman from Tennessee permit one question?

Mr. BYRNS. Yes.

Mr. CLARKE of New York. Do I understand from the gentleman's statement that the Black bill is not now included in the program of the President?

Mr. BYRNS. I do not know, I am frank to say to the gentleman.

Mr. CLARKE of New York. We do not know, either.

Mr. BYRNS. I have not seen any expression from the administration with reference to it, and I am not able to speak for the administration with reference to that bill.

#### MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was communicated to the House by Mr. Latta, one of his secretaries, who also informed the House that on April 5, 1933, the President approved and signed a bill of the House of the following title:

H.R. 3342. An act to provide revenue for the District of Columbia by the taxation of beverages, and for other purposes.

#### INVESTIGATION OF THE "AKRON" DISASTER

Mr. POU. Mr. Speaker, there are two resolutions that I believe come with a unanimous report from the Committee on Rules.

I offer now a concurrent resolution providing for an investigation of the Akron disaster, and I shall ask unanimous consent to eliminate the last paragraph of the resolution.

Mr. LEHLBACH. If the gentleman will permit, did I understand the gentleman to ask unanimous consent for the present consideration of the resolution making in order the embargo bill?

Mr. POU. No; this is with respect to an investigation of the Akron disaster.

Mr. MARTIN of Massachusetts. Will the gentleman say that he is only going to call up two rules today?

Mr. POU. No; there is one other that will be called up later. I myself am presenting two.

Mr. MARTIN of Massachusetts. One is the Akron investigation?

Mr. POU. Yes; and the other resolution, which I believe is a unanimous report, prevents the dividing of a question, as reported by the Committee on Rules.

Mr. MARTIN of Massachusetts. The understanding in the Rules Committee was that there would be but two of these resolutions called up today.

Mr. POU. This is by unanimous consent; and if there is any objection, I shall not press them.

Mr. LEHLBACH. Will the gentleman yield further?

Mr. POU. Yes.

Mr. LEHLBACH. The divisibility rule was certainly not a unanimous report from the committee.

Mr. POU. I was in error about that. I shall merely present it for printing under the rule.

Mr. LEHLBACH. And the gentleman does not intend to press the embargo rule at this time?

Mr. POU. Not at this time.

Mr. FISH. Mr. Speaker, reserving the right to object, I would like to ask the gentleman whether he can tell the House when he will bring up the embargo bill under the rule.

Mr. POU. I shall present the resolution to the House today to be referred to the calendar and printed. Just when it will be brought up I cannot state at this time, but it will be in the very near future.

Mr. FISH. Can the gentleman give us some warning in advance so we can have the minority views available? If the measure were brought up today, the minority views would not be available.

Mr. POU. I will do the best I can, but just how much warning I can give I would not undertake to say at this time.

The Clerk read the concurrent resolution (H.Con.Res. 15), as follows:

*Resolved by the House of Representatives (the Senate concurring).* That there is hereby created a joint committee to consist of five Members of the Senate, to be appointed by the President of the Senate, and five Members of the House of Representatives, to be appointed by the Speaker of the House of Representatives. The committee shall select its own chairman.

Such committee is hereby authorized and directed to investigate the cause or causes of the wreck of the Navy dirigible Akron and the wrecks of other Army and Navy dirigibles, to fix responsibility for the same, to inquire generally into the question of the utility of dirigibles in the Military and Naval Establishments, and to make recommendations to the Senate and House of Representatives with respect to the future use of dirigibles for military or naval purposes. The committee shall report to the Senate and House of Representatives as soon as practicable the results of its investigations, together with its recommendations.

For the purpose of this resolution the committee, or any duly authorized subcommittee thereof, is authorized to hold hearings, to sit and act at such times and places during the sessions or recesses of the present Congress, to employ such experts, clerical, stenographic, and other assistants, to require by subpoena or otherwise the attendance of such witnesses and the production of such books, papers, and documents, to administer such oaths and affirmations, to take testimony, to have such printing and binding done, and to make such expenditures as it deems advisable.

Subpenas shall be issued under the signature of the chairman of the committee and shall be served by any person designated by him. The provisions of sections 102, 103, and 104 of the Revised Statutes shall be applicable to any person summoned as a witness under the authority of this resolution in the same manner as such provisions are applicable to any person summoned as a witness in the case of an inquiry before a committee of either House.

The expenses of the committee, which shall not exceed \$3,000, shall be paid one half out of the contingent fund of the Senate and one half out of the contingent fund of the House on vouchers approved and signed by the chairman of the committee.

The SPEAKER. Is there objection to the present consideration?

There was no objection.

Mr. POU. Mr. Speaker, I move to strike out the last paragraph.

The Clerk read as follows:

Amendment by Mr. POU: Strike out the last paragraph, reading as follows: "The expenses of the committee, which shall not exceed \$3,000, shall be paid one half out of the contingent fund of the Senate and one half out of the contingent fund of the House on vouchers approved and signed by the chairman of the committee."

The amendment was agreed to.

The resolution as amended was agreed to.

#### AMENDMENT TO CLAUSE 6, RULE XVI

Mr. POU. Mr. Speaker, I present the following privileged report from the Committee on Rules for printing under the rule.

The Clerk read as follows:

House Resolution 102

*Resolved*, That upon the adoption of this resolution clause 6 of rule XVI be, and the same is hereby, amended to read as follows: "On the demand of any Member, before the question is put, a question shall be divided if it includes propositions so distinct in substance that one being taken away a substantive proposition shall remain: *Provided*, That any motion or resolution to elect members or any portion of the members of the standing committees of the House, and the joint standing committees shall not be divisible, nor shall any resolution or order reported by the Committee on Rules, providing a special order of business be divisible."

The resolution was referred to the House Calendar and ordered printed.

THE POST OFFICE COMMITTEE

Mr. SABATH. Now, Mr. Speaker, I desire to call up the resolution extending the power of the Post Office Committee, giving them additional time to make a report.

Mr. RANSLEY. I understood that the gentleman from Pennsylvania [Mr. KELLY] desired to take the floor in reference to that resolution, and that it would be brought up on Tuesday.

Mr. SABATH. The gentleman from Pennsylvania [Mr. KELLY] is in favor of the resolution, and I do not desire to deprive him of the opportunity to speak on the resolution.

Mr. RANSLEY. It was the understanding of the gentleman that this was not to be called up until tomorrow so as to give him the opportunity to express his views.

Mr. SABATH. Then, Mr. Speaker, I desire to defer my request.

INVESTIGATION OF THE MOTION-PICTURE INDUSTRY

Mr. SABATH. Mr. Speaker, I move to suspend the rules and pass House Resolution 95 relating to the investigation of corporations engaged in the production, distribution, and exhibition of motion and sonant pictures.

Mr. O'CONNOR. This is not suspension day, Mr. Speaker; the gentleman cannot move to suspend the rules.

Mr. MAPES. I make the point of order, Mr. Speaker, that this is not suspension day.

The SPEAKER. The point of order is sustained.

Mr. SABATH. I ask unanimous consent to consider House Resolution 95.

Mr. WARREN. I object, Mr. Speaker.

Mr. SABATH. Then, Mr. Speaker, I present a report from the Rules Committee for printing under the rule.

The Clerk read as follows:

House Resolution 95

*Resolved*, That there is hereby created a committee which shall be composed of seven Members of the House of Representatives.

Sec. 2. The committee, or any duly authorized subcommittee thereof, is authorized and directed—

(1) To sit and act at such times and places as may be necessary to hold hearings to conduct an investigation and study of all matters relating to the production, licensing, sale, distribution, financing, incorporation, commercial operations, banking, theater leasing or ownership, realty, sound production, and all other related and interrelated combinations, affiliations, and organizations of production, distribution, license, lease or sale, and presentation or exhibition of the product of and by organizations of all character engaged in and/or associated or affiliated or financially or commercially interested in the motion and sonant pictures industry and of all matters and acts relating to or concerned with the issuance and/or sale or hypothecation of motion and sonant pictures industry securities of all forms by such organizations directly or through agents or other means, or by banking or security-selling organizations or their associates or affiliates;

Sec. 3. The committee is empowered to subpoena persons, records, documents, swear witnesses, and to secure such data and any or all other information as may be deemed necessary to aid the committee in the ascertainment of the facts.

Sec. 4. The committee is authorized and empowered to employ such legal counsel, technical or other counsel, auditors, clerical, stenographic, and other assistants, to make such expenditures, including expenditures for actual travel and subsistence of members and employees, and for such other and further expenditures as are necessary for the efficient execution of its functions under this resolution, including transcription, printing, and binding of data and reports.

Sec. 5. The committee shall report to Congress on or before the first day of the first regular session of the Seventy-third Congress the result of its investigation and study, together with such recommendations for legislation or other remedial action as it may deem advisable. When its report is filed as provided the committee shall cease to exist.

The resolution was referred to the House Calendar and ordered printed.

TENNESSEE VALLEY DEVELOPMENT (H.DOC. NO. 15)

The SPEAKER laid before the House the following message from the President of the United States, which was read and referred to the Committee on Military Affairs:

To the Congress:

The continued idleness of a great national investment in the Tennessee Valley leads me to ask the Congress for legislation necessary to enlist this project in the service of the people.

It is clear that the Muscle Shoals development is but a small part of the potential public usefulness of the entire Tennessee River. Such use, if envisioned in its entirety, transcends mere power development: it enters the wide fields of flood control, soil erosion, afforestation, elimination from agricultural use of marginal lands, and distribution and diversification of industry. In short, this power development of war days leads logically to national planning for a complete river watershed involving many States and the future lives and welfare of millions. It touches and gives life to all forms of human concerns.

I therefore suggest to the Congress legislation to create a Tennessee Valley Authority—a corporation clothed with the power of Government but possessed of the flexibility and initiative of a private enterprise. It should be charged with the broadest duty of planning for the proper use, conservation, and development of the natural resources of the Tennessee River drainage basin and its adjoining territory for the general social and economic welfare of the Nation. This authority should also be clothed with the necessary power to carry these plans into effect. Its duty should be the rehabilitation of the Muscle Shoals development and the coordination of it with the wider plan.

Many hard lessons have taught us the human waste that results from lack of planning. Here and there a few wise cities and counties have looked ahead and planned. But our Nation has "just grown." It is time to extend planning to a wider field, in this instance comprehending in one great project many States directly concerned with the basin of one of our greatest rivers.

This in a true sense is a return to the spirit and vision of the pioneer. If we are successful here we can march on, step by step, in a like development of other great natural territorial units within our borders.

FRANKLIN D. ROOSEVELT.

THE WHITE HOUSE, April 10, 1933.

SESSIONS OF COMMITTEE ON MILITARY AFFAIRS

Mr. McSWAIN. Mr. Speaker, I ask unanimous consent that the Committee on Military Affairs may have leave to sit during the sessions of the House for the remainder of the week, beginning tomorrow.

The SPEAKER. Is there objection?

There was no objection.

FARM-MORTGAGE LEGISLATION

Mr. BYRNS. Mr. Speaker, I ask unanimous consent that the Committee on Agriculture may have until midnight tonight to file its report on the farm mortgage bill.

Mr. SNELL. Mr. Speaker, I reserve the right to object. I understand that that bill is coming up tomorrow.

Mr. BYRNS. It is our hope that it will come up tomorrow.

Mr. SNELL. But the report is not ready?

Mr. BYRNS. No; but it will be very shortly. I know of nothing else to come before the House.

Mr. SNELL. Are the hearings printed on that bill so that we can get the information upon it? That is all that I am interested in.

Mr. BYRNS. I am informed by a member of the committee that they have had hearings, but he does not believe that they have been printed.

Mr. SNELL. It seems to me that on such an important proposition as that, involving a matter of \$2,000,000,000, establishing an important policy on the part of the Government, running for many years, we ought to have definite hearings and a report which the House itself can study.

Mr. BYRNS. If we do not get this unanimous consent, the bill cannot be reported until tomorrow.

Mr. SNELL. Oh, I am willing to give the gentleman unanimous consent. I am not objecting to that, but this is so important that I think we ought to have an opportunity to study it and look it over very carefully before we adopt it. I expect to support the measure, but, nevertheless, I want to know what I am supporting.

Mr. BYRNS. I think it is the intention of the chairman of that committee, with whom I talked this morning, to consume at least 2 days in the consideration of the bill.

Mr. SNELL. Will it be considered under the general rules of the House?

Mr. BYRNS. That remains to be determined. I have not had an opportunity to talk with him and other gentlemen respecting that. Personally I have no objection to that.

Mr. CLARKE of New York. Mr. Speaker, will the gentleman yield?

Mr. BYRNS. Yes.

Mr. CLARKE of New York. Will the gentleman include in his request the right as well for any minority member to present minority views, so that they may be protected in their rights?

Mr. BYRNS. Yes; I will include that.

Mr. BLANTON. To be printed in the same pamphlet.

Mr. BYRNS. Mr. Speaker, I include that in my request.

The SPEAKER. The gentleman from Tennessee asks unanimous consent that the Committee on Agriculture may have until 12 o'clock tonight to file a report upon the farm mortgage bill, and that minority views may be filed at the same time, to be included in the same pamphlet. Is there objection?

There was no objection.

Mr. BYRNS. Mr. Speaker, I now ask unanimous consent that the Committee on Rules may have until 12 o'clock tonight to file a report upon the farm mortgage bill, if they have one.

The SPEAKER. Is there objection?

There was no objection.

#### LEAVE OF ABSENCE

By unanimous consent, leave of absence was granted to Mr. BRENNAN, for 1 week, on account of important business.

#### ADJOURNMENT

Mr. BYRNS. Mr. Speaker, I move that the House do now adjourn.

The motion was agreed to; accordingly (at 12 o'clock and 32 minutes p.m.) the House adjourned until tomorrow, Tuesday, April 11, 1933, at 12 o'clock noon.

#### EXECUTIVE COMMUNICATIONS, ETC.

Under clause 2 of rule XXIV, executive communications were taken from the Speaker's table and referred as follows:

13. A communication from the President of the United States, transmitting draft of a proposed provision pertaining to existing appropriations for the Department of Justice, transferring \$3,500 from the appropriation "Salaries,

fees, and expenses of marshals, United States courts, 1933", to "Traveling and miscellaneous expenses, Department of Justice, 1933" (H.Doc. No. 16); to the Committee on Appropriations and ordered to be printed.

14. A letter from the vice chairman of the American Legion national legislative committee, transmitting the proceedings of the Fourteenth Annual National Convention of the American Legion, held at Portland, Oreg., September 12-15, 1932 (H.Doc. No. 17); to the Committee on World War Veterans' Legislation and ordered to be printed, with illustrations.

15. A letter from the Secretary of the Navy, transmitting draft of a bill to amend existing law in order to obviate the payment of 1 year's sea pay to surplus graduates of the Naval Academy; to the Committee on Naval Affairs.

#### REPORTS OF COMMITTEES ON PUBLIC BILLS AND RESOLUTIONS

Under clause 2 of rule XIII,

Mr. POU: Committee on Rules. House Resolution 100. Resolution amending rule XIV of the House rules; without amendment (Rept. No. 29). Referred to the House Calendar.

Mr. POU: Committee on Rules. House Resolution 101. Resolution providing for the consideration of House Joint Resolution 93, a joint resolution to prohibit the exportation of arms or munitions of war from the United States under certain conditions; without amendment (Rept. No. 30). Referred to the House Calendar.

## SENATE

TUESDAY, APRIL 11, 1933

The Chaplain, Rev. Z. Barney T. Phillips, D.D., offered the following prayer:

Almighty God, whose most dear Son went not up to joy but first He suffered pain, and entered not into glory before He was crucified, give us this day a clearer vision of the meaning of the cross, as its shadow falls athwart the pathway of our earthly pilgrimage.

Grant unto these Thy servants, folded together in the bonds of fellowship and dedicated to a common purpose, that they may become true interpreters of the mind of Christ in whatsoever way Thou deemest best. Come to us now through the silence; and though duty bids us shun the lonely way, draw near us in the crowd and speak to our souls, above the tumult, words of forgiveness, power, and cleansing, for the sake of One who at this hour hung upon the cross that all mankind might find in Him the way of life and peace. Amen.
